PETITION TO EXPUNGE PROPRIETARY MATERIAL UNDER 37 CFR §1.59

Petitioners are submitting proprietary materials pursuant to MPEP §724 by hand delivery to the Examiner. If after review of these documents by the Examiner the proprietary material is found not to be important to a reasonable Examiner in deciding whether to allow the application to issue as a patent (See MPEP §724.04(a)), Petitioners hereby petition to expunge the proprietary material pursuant to 37 CFR §1.59.

In accordance with MPEP §724.05: Petitioners state that the materials are proprietary and have not otherwise been made public; Petitioners commit to retain the proprietary material for the period of any patent with regard to which the proprietary information is being submitted; and Petitioners state that the Petition to Expunge is being submitted on behalf of the party in interest who originally submitted the information.
